Join us as we celebrate the creativity and unique personalities of the youth of Vigo County with the Vigo County Fair including events, exhibitors, blue ribbon competitions and more! The Wabash Valley Fair Association presents the 87th Annual Vigo County Fair where Memories are Made! The youth of Vigo County spend countless hours making preparations for the Fair and we are excited to showcase our youth to the surrounding community in 2016 and be a part of the memories our youth are making. The Vigo County Fair honors most of the fine traditions of America’s county fair, which have been enjoyed by millions of people over the years. It is a great opportunity for the youth of our community to compete and learn from their projects, each of which require a tremendous amount of self-discipline and commitment. The heart and soul of the Vigo County Fair is the children.

On behalf of the Wabash Valley Fair Association, I want to encourage parents, family members and the entire community to make some lasting memories by attending the Fair and tour the exhibits...4-H, Open Class and Commercial, and enjoy some of the best entertainment and “fair” food around. Everyone will find something to enjoy during the selection of nightly events planned in front of the Grandstand. And the Fair even brings out the child in all of us as we enjoy the thrills of the Fair including rides provided by one of the top amusement companies in the country. Please take time to explore each part of the Fair and we know you will appreciate the countless hours of work our exhibitors, volunteers, Fairground’s Staff, Extension Office Staff and WVFA Board of Directors have invested into making this year’s Vigo County Fair a memory making event. We are not just another county fair...

It has been a great honor for us to serve our community. We take this privilege very seriously. We want to thank the sponsors and the volunteers for their dedication and hard work to make this year’s Vigo County Fair a success! Your commitment to the Wabash Valley is a part of what makes our community so great.

Good luck to all of the exhibitors and thank you to everyone who has been a part of the planning process. We are looking forward to a great 2016 Vigo County Fair, so join us as we continue to be a place where Memories are Made!

5. **All specimen plants and flowers must be grown by the exhibitor a minimum of two months.** The exhibitor should specify the amount of time flowers/plants have been grown in the container. Please do not bring a plant or arrangement in a container that you are not willing to leave the entire week.

10. The assistant superintendent and floriculture department workers may enter the competition as they do not judge the exhibits.

11. **EXHIBITORS ARE RESPONSIBLE FOR DETERMINING THE PROPER CATEGORY FOR PLACEMENT OF THEIR ENTRY.** Workers/volunteers may assist with the placement, but do not assume responsibility for any errors. Entries may not be moved to a different category when the judging is in progress.

Herb of the Year - 2016

PEPPERS-CAPSICUM

The International Herb Association has chosen chilies – also called Capsicum as the Herb of the Year for 2016. Recognizing the versatility and value of capsicum in cooking as well as the health benefits it offers.

Capsicum is the name of the genus of plants that produce jalapenos, cayenne peppers, bell peppers, green chiles and more. Capsaicin is the chemical compound that gives chile heat; the higher the heat level of capsaicin, the hotter the chile. With a wide range of heat available and the flavor of the chile itself, it’s only growing in popularity for restaurants and homes alike.

Capsaicin is beneficial for more than just the flavor of a dish. Lower cholesterol and a higher metabolism have both been linked to capsaicin. Chile peppers contain Vitamin C, Vitamin A, Iron, Potassium and no cholesterol. For people looking to offer healthy, flavorful dishes, chile is an excellent option.

Chile peppers are most often grown in gardens but may also be grown in containers. The chile pepper pods are harvested and used fresh or dried.
